SUMMARY: All elements conducted operations

w/n the AO. We have OPCON B & D 1/8 and

one CIDG element, which is with D. During

the day both C & D moved into the areas of

their previous contact and both found

bodies, wons and equipment. Both elements

will move their night locations into the

general area of contact. At 1415 one

rcn fd a mine on the road. No loc.

There was no enemy contact during the day.
